It's Easy if you follow these 5 simple steps:

1. Measure the vehicles headrest post diameter and on-center spacing in millimeters. Use the post measuring tool (P/N: MT7500) or the paper version located on Rosen Dealer Central.

2. Locate the headrest post part # from the Rosen/Classic Headrest Application Guide

NOTES:

- A. Post notches may be different than your application. Look at where the notches are (Left Inside/Outside, Right Inside/Outside).
- B. **IMPORTANT:** The 2-piece posts must be installed properly so they provide the proper forward angle to the headrest. Make sure to install into the proper spacing indent. If you have received 1-piece posts then disregard the first notes and install in the same manner and angle as the ones you are removing.

PLEASE READ BEFORE ORDERING:

- > Modifying the headrest cover for the new post width makes the modified headrests non-returnable!
- > Posts removed from original headrest are non-returnable.
